

**Jeffry D. Ottmann**  
**ExxonMobil Exploration Company**

Jeff Ottmann is the Technical Team Lead for ExxonMobil's Argentina Joint Ventures Operations Team. He received his B.S. in geology from the University of Texas at Austin and his M.S. in geology from the University of Houston. Jeff started his career with Exxon in 1977 and has worked over 35 years as a geologist specializing in sequence stratigraphy. He has been involved on projects in East Texas, the Bering Sea, the Gulf of Mexico onshore, Oklahoma, Arkansas, Yemen, Algeria, Chad, and Nigeria. Since 2006, Jeff has worked and consulted on various shale projects including the Barnett, Marcellus, Horn River, Eagle Ford and Haynesville and has presented numerous papers on shale reservoir systems. He is an AAPG Certified Geologist and a registered Professional Geologist in Texas. He is also a recipient of ExxonMobil's Awards for Technical Excellence and Creativity.
