

5° CONGRESO
LATINOAMERICANO Y DEL CARIBE DE
REFINACIÓN
Creatividad e innovación: conductores para
una industria de refinación sustentable

Agosto, 27 al 30 - 2018, Mendoza, Argentina

When presenting the paper:

to the 5th Latin American and Caribbean Refining Congress, the one that subscribes declares to know that his active participation in this event (lecturer, exhibitor, member of round tables, etc.) implies an implicit authorization to the Argentinean Oil and Gas Institute to freely reproduce (graphics, sound reproduction, filming, video tapes, etc.) and in the extension that considers necessary, his mentioned participation. The utilities that could possibly be of the free reproduction of the obtained material, it will be for the exclusive benefit of the IAPG.
